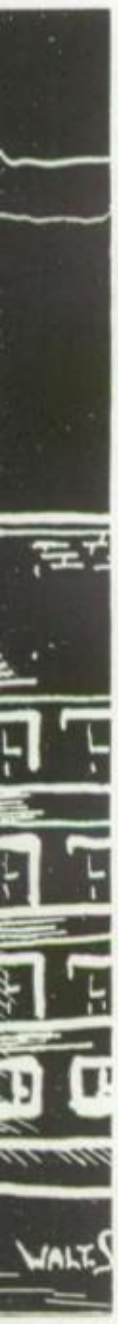
THE 1950 LOG



DEDICATION

YOUTH AND DEMOCRACY

Democracy, like youth, is still not quite dry behind the ears, for among forms of government it is a novice. It is like a young boy who, having put on long trousers for the first time, is boasting of his prowess to the other boys of the neighborhood. He can well boast, for has he not participated in several battles and emerged triumphant? And hasn't he always fought on the side of justice and right? I think so and in this way Democracy and Youth attain their similarity.

Democracy too has had to fight several battles (on this scale, you can call them wars) to keep its ideals alive and in action. It has fought for the people, not only in America, but, in every country in the world. It has suffered setbacks, but in the end, the might of its arms and the ideals which it defends have proved to be strong.

As I stated above, Democracy is a novice. True, it has grown faster than any other ideology; its people enjoy greater freedom, and greater opportunities, unequaled anywhere; but how does this affect youth? The answer is: Youth has grown accordingly. It has found a richer and fuller life because it has applied democratic ways to its every surrounding and it has attained a strength not equaled in any other nation.

To this end, therefore, do we dedicate the Log of 1950 and to the continued growth of democracy and youth in the esteem of the people of every nation on the earth.

PRINCIPAL'S MESSAGE

TO THE CLASSES OF JANUARY AND JUNE, 1950

Four year ago we looked forward to your coming to be a part of our school student body. Your years at Tuley were important ones not only for you, but also for the school. Just as Tuley helped you to grow into mature, civic-minded young people, ready and able to take your places as citizens in our democratic society, so you contributed much to the growth of Tuley. As you progressed semester after semester, we came to depend more and more on you as the leaders in school organizations and activities. As you participated in city-wide events such as the art competitions and oratorical contests, your achievements helped to make the name of your school known and respected. As you played on the school teams or attended the games, you helped to build Tuley's reputation for good sportsmanship and fine citizenship. In these and numerous other ways you have had an important part in determining what kind of a school Tuley will continue to be.

We shall miss you as a class and as individuals. Our congratulations and our very best wishes go with you. We hope you will find many great opportunities awaiting you. We hope, also, that the experiences of these years at Tuley have prepared you to grasp and make the most of them.

Cordially yours,

Hazel L. Stillman

Hazel L. Stillman

Principal

Message to Mr. Center

Mr. Center,

We are happy to see you among us once again. We missed your astute mind and your convival good nature, which will remain with us long after the Class of '50 is forgotten. To you may we wish the best of health, and best of good fortune and may God Bless you.

Sincerely,

Class of 1950

Sam H. Center

Assistant Principal

Edna E. Weiler

Acting Assistant Principal

Message to Miss Weiler

Miss Weiler,

Long have we enjoyed your bounteous good nature and your beneficial advice in all matters. We leave Tuley enriched by your guidance and sound policies; and we want to wish you the best we have to offer. Our thanks and good wishes in the coming years.

Sincerely,

Class of 1950

ADMINISTRATIVE STAFF ★ ★

Miriam C. Herrick
Assistant Principal

Joseph F. Smidl
Aide

Erna Mayer
Adjustment

Most of us do not stop to think why the school is run with such efficiency. It is due, of course, to the Administrative Staff, and to them should go our heartfelt thanks. They have made our school life much pleasanter and freer from friction than it might otherwise have been.

Our wishes for a long and pleasant future.

'ROUND AND ABOUT

SENIOR

THE FOUR YEARS

The years we've been in Tuley
Have brought memories large and small
But there are many little things
We can't forget at all.
For instance there's the homework
Which all of us abhor
And then there are the teachers
Whom all of us adore.
Of course there are the friends we've made
Among the enduring things
But really there are others too
Which deserve some mentionings.
Take the socials every two weeks
And look at the fun you've had
You dance and talk till very late
And your folks can't get you to bed.
Now on the subject of lunch each day

★ ★ ★

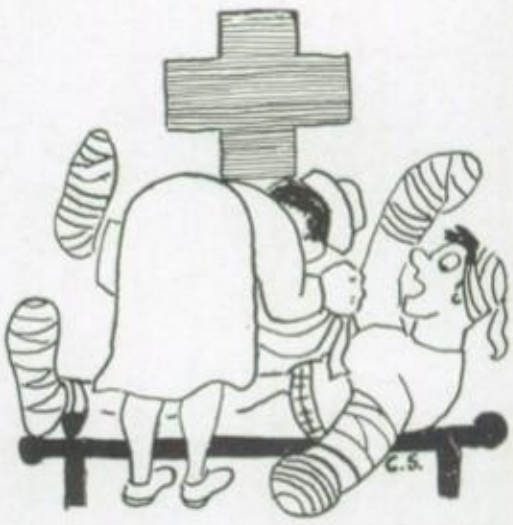
PERSONALITIES

And the gossip that goes with it
It all adds up to loads of fun
That is, if you can spill it.
I certainly wish that I had known
About these things at Tuley
When I was still in grammar school
Do you think I'm being silly?
Oh well, we live and learn,
And it is very hard
To grow accustomed to such as these
And then to learn some others.
But these four years are priceless too
In every sort of way
And we will use in future years
What we have learned today.
Don't think we haven't learned a thing
For that we've surely done
And to the teachers we do owe
An unpayable, fabulous sum.

★ ★ ★

CLUBS

SPAIN



RED CROSS

In this club the members try to supply necessities to those less fortunate in Europe and in this country. Last semester, we embroidered the faces on stuffed toy animals which were sent to hospitals and orphanages for Christmas. This term, we are undertaking a larger project, a school chest for the children in Europe. In each chest there are enough school supplies for 48 children and personal things such as tooth paste, brushes, combs, and also bats and balls.

CROCHETING

Here beginners learn how to crochet and experienced crocheters learn new patterns or exchange ideas. The excellent fellowship, courtesy, and cooperation make every member proud of our club.

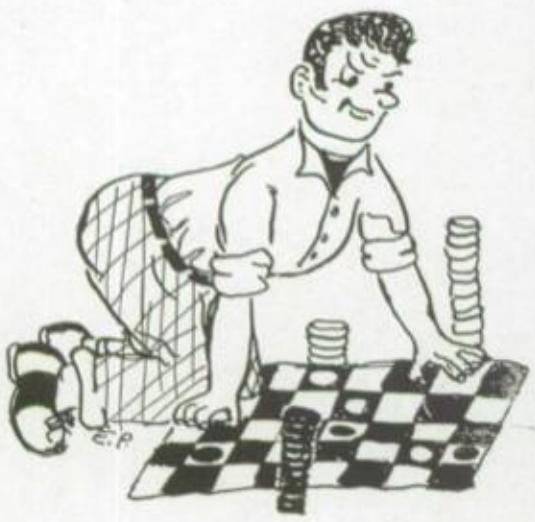
Pres. (1st Sem.) Mary Ann Magas; Vice-Pres. Corinne Hollinger; Treas. Phyllis Krause; Sec. Gerrie Hartmann. (2nd Sem.) Pres. Regina Samborski; Vice-Pres. Phyllis Goldstine; Treas. Dorothy Klocek; Sec. June Rice.

CHECKER

The 1950 Checker Club has increased in membership so much that it has been divided into two sections, one sponsored by Mr. Greenburg and the other by Mr. Smidl.

The officers elected this year are Richard Clewis, Pres., Sharlain Klaas, Vice-Pres., Paul Gordon, Sec.

This term we are holding an intramural tournament which will determine the champions among the boys and girls.



CHESS

The Chess Club is the type of activity in which you can exercise your mind and at the same time enjoy yourself. Mr. Lee and Mrs. Roberts, the sponsors, together with the officers, will show you the game and answer all questions pertaining to it. During the club period the sole activity is . . . chess, naturally. Chess is one of the oldest games in the world and continues as the most fascinating and absorbing of them all. If you are interested in an enjoyable game, all geniuses choose chess.

Pres. Larry Schmitt; Sec. Lorraine Orzel.

PHYSICS

Exciting explosions and electrocutions are NOT likely to occur during the experiments the students perform for each other. Yet the experiments are fascinating and provide more opportunities for Physics students to work with experiments than they have in class. The club has been active in presenting programs and demonstrations for the school, among which have been a "What is Television" assembly and a "Physics Exposition". Pres. James Samaras; Vice-Pres. Angelo Karabotsos; Sec. Lorre Polanchuk.

RADIO

The Radio Club is an active organization. We do not work with radios as the name suggests, but act out plays written by the National Association of Christians and Jews. Members who have acting ambitions get a chance to learn good diction and the understanding of the plays. The club is under the direction of Mrs. Paul. However, it is the boys and girls in the club who run it, and that gives us a feeling of independence. Pres. Larry Johansen; Vice-Pres. Burton Caplan; Sec.-Treas. Carol Cole.

CREATIVE WRITING

The Creative Writing Club was created for—yes, you guessed it, creative writing. This semester it's going to be just that, a place where Tuley's bards can get together and express themselves in poems, stories, and the like. So, don't be surprised to hear of the Creative Writing Club. Mr. Rabinowitz, the able sponsor, is certain to turn out the best-seller writers of the next generation.

NEW BOOKS

The purpose of this club is to get everyone interested in the art of reading books, to improve our reading and knowledge. We learn about many different kinds of books and how to look up information about them. We have book reports which are given by students. We also give character sketches and the members have to guess the title of the book from which the character was taken. Two librarians check out the volumes that we want to read.

Pres. Loretta Michalak; Vice-Pres. Austra Banga; Librarian Anne D'Amore; Sec. Roslyn Liotta; Treas. John Ericson.

QUESTION BOX

The Question Box Club, primarily for girls, and perhaps one of the most important in school, has as its purpose to discuss and solve questions relating to the problems of the troubled teen-ager.

Guided by sponsors who have had experience with the youth of today and his problems, many a teen-aged girl has found an answer to her perplexing questions and has been enabled to adjust herself to a situation and to find happiness. Understanding, cooperation, and human interest are the characteristics stressed by the members.

COLLEGE

Some students may plan to go on to college and yet do not know if they possess the necessary requirements for entrance into college and the courses they have to take to prepare themselves for their future work. Here the College Club comes into use, for it is the purpose of this club to acquaint those students interested in going on to college with these facts and other information of interest.

Pres. (1st sem.) Mildred Weintrob; Vice-Pres. Marvella Truitt; Treas. Beverly Garzonio. (2nd Sem.) Pres. James DeMarco; Vice-Pres. Joseph Pedott; Sec. Marion Pawlicki.

ART

The Art Club has started sketching student models and plans to go on to painting with tempera, watercolors, and eventually to working on textiles. The chairman is Willard Krick; Secretary, Pat Kelley; Sponsor, Mrs. Mitchell.

TRAVEL

The Travel Club accomplishes much for us in the way of helping us find places to visit for recreation and education. We find out about interesting places right here in Chicago. We also get ideas about far away places, their customs, scenery, ways of traveling, advantages and disadvantages.

Group 1: Pres. Robert Johnson; Vice-Pres. Mary Cohen; Sec. Bill Korpen; Treas. Conrad Hoel; Sponsor, Mr. Vernon.

Group 2: Pres. Frank Winski; Vice-Pres. Ed Stachurski; Sec. Pat McDonough; Treas. Bob Procknow; Sponsor, Miss Gartman.

WHITE COLLAR

In the White Collar Club we try to help the girls to understand the business world and be prepared for it. We learn these things through movies on etiquette and business procedure. We have also had speakers from different places of business. At the end of each semester we enjoy our club party, where members of the club participate in the entertainment.

MODES OF THE HOUR

This club, organized especially for girls, is a very interesting and extremely helpful one. The meetings are planned with the objects of our constitution in mind: to acquaint girls with styles, correct manners, and general rules of etiquette; also to encourage girls to improve their personal appearance and manners.

Each meeting presents something new and interesting. The president who this semester is Constance Peppas, plans the meetings, and her officers, vice-president Carole Schnee; secretary Dorothy Bloethner, and treasurer Annette Grabowski, make the meetings more interesting.

CHEERLEADERS

This club is naturally an active one for its members are cheerleaders and those who hope to become leaders. The only officer is the captain, Mary Ann Adams. Miss Mendes teaches the fundamentals of cheering and tumbling. In order to become a member, one must pass a test to prove some ability in this field. Finally after months of training, a girl has an opportunity to demonstrate her cheerleading skills and may be fortunate enough to be chosen as a cheerleader.

RECREATIONAL GAMES

The primary purpose of the Recreational Games Club is to promote an appreciation for sports and to encourage good sportsmanship, cooperation and a sense of fair play. The club is for girls who wish to learn new games and for those who have an abundant supply of pep and vitality and love sports. Sponsored by Mrs. Porter and Miss Evans, the girls keep happy and busy at every meeting. Members are divided into four teams and four girls with ability as leaders are chosen as captains. There are four seasonal games: volleyball, soccer, softball, and basketball.

SCIENCE

The Science Club is coming along fine, working on a few projects left unfinished last semester and starting some new ones. Miss Dixon often shows movies and lectures on scientific subjects. The members have also worked on dissecting and microscopic work.

Pres. George Jefferies; Vice-Pres. Bob Wieszycki; Sec. Darlene Cooney.

PROJECTORS

The Projector Club got off to a good start a year ago and is now widely known.

The members find the club's activities very interesting. To them a projector is more than a "picture-machine." They contribute much to all departments of the school since all departments employ visual education.

GIRLS' CHORUS

The Girls' Chorus is composed of 65 girls with good voices who provide music for the graduation ceremonies and special assemblies, notably, Armistice Day, Memorial Day, and the Youth Week Assembly. Miss Caspers is the director and Irene Bergamin is the accompanist. The officers this semester are: Dolores Kielezynski, President; Loretta Michalak, Vice-President; Jeanne Rice, Secretary; and Betty Rahtz Treasurer.

SQUARE DANCING

Do you like folk dances? Would you like to see the "Birdie in the Cage"? How would you like being a "Buffalo Gal?"

The Square Dance Club offers students an opportunity to learn the steps and formations of the most popular current dance form. The club is under the sponsorship of Miss Blitzner.

Swing your partner, and join in the fun!

MEXICAN FOLK DANCING

In the Mexican Folk Dancing Club, we are taught some of the native dances of Mexico which are interesting in themselves but are made more so by Miss Dubow who tells us when each dance is used. Miss Dubow always teaches the famous "Mexican Hat Dance." This club is perfect for those who enjoy folk dancing and are interested in foreign countries.

Pres. Joanne Balas; Vice-Pres. Pat Matwicio; Sec. Rochelle Wineberg; Treas. Irene Mueller.

FISHING AND HUNTING

The Fishing and Hunting Club was organized by Joe Pedott and Eddie Kuznar in 1948 with Mr. Gross as sponsor. Activities like tournament casting, seeing movies on conservation and wild-life, planning field trips, having discussions and debates, all impressed upon the members the purpose of the club. This purpose was to foster a greater understanding and appreciation of our wild-life and the need for conservation of our natural resources.

POLISH

The Polish Club, organized in 1931, has enjoyed nineteen years of unbroken existence. The object of this club is to promote among the members the feeling of solidarity and to establish genuine friendships.

It endeavors to acquaint the members with the history of Poland, its literature, music, and culture by arranging lectures and programs during the meetings, making tours of Polish newspaper establishments, museums, libraries, etc.

The Polish Club also is noted for outdoor activities, the most popular of which is the annual Toboggan Party held at Palos Park every February. The membership is open to all students of Polish descent and to students of Polish.

TULEY HIGH SCHOOL
TULEY
IN THE NEWS
IT'S HERE!

T. C. A.

Like most high schools, Tuley has its own government. This government, known as the Tuley Civic Association, is elected by the students themselves, but it is supervised by a faculty member.

As the legal government of the school, the T. C. A. must pass laws which provide for the safety and welfare of the students; and it must approach its duties with complete impartiality. Though many, upon their election, might be tempted to feel self-important, they are instantly sobered by the size and complexity of the problems with which they are confronted.

The job is not a small one and it requires great patience and diligence in its fulfillment, but the students of Tuley can and will rise to the task with a zeal and determination typical of them and they will not stop until they have achieved their cherished goal.

GOLD PIN WINNERS

Gold Pin winners are the highest ranking students in scholarship, for to obtain a Gold Pin, a pupil must have been on the honor roll for six semesters. That is, he or she must have had marks of "E" or "S" in all major subjects, with no mark in a minor lower than "G". The really "Elite" in this group are the students who have been awarded a Gold Pin for the second time, that is have been honor roll members for seven semesters. This semester there are seventeen pupils who received their pins, ten for the first time, and seven for the second.

GIRLS ATHLETIC ASSOCIATION

The Girls' Athletic Association was organized to provide girls with outside activities such as hiking, bicycling, and picnicking. Also there are several parties given throughout the year honoring different holidays and the fellows on our athletic teams.

A school letter is awarded each girl who qualifies by earning the required number of points, and no letters may be earned in less than two years' time.

The officers for this semester were Pat Hahn, president; Diane Kowalski, secretary; Mitzi Jones, treasurer; and Janet Olson, Vice-president.

BOOKROOM HELPERS

LUNCH ROOM
HOSTESSES

LIBRARY
STAFF

Students who are inspired by the spirit of helpfulness find many opportunities to be of service in a high school. Five groups who render invaluable assistance are the OFFICE AIDES, TOUR GUIDES, LUNCHROOM HELPERS, BOOKROOM HELPERS, AND LIBRARY ASSISTANTS. Although these people receive service points for their work, the real value cannot be repaid in any thing so concrete. Their best payment is in the satisfaction of a job well done, and the knowledge that they have helped the school to run smoothly, to receive guests gracefully, and to be of service to their fellow students and teachers. Of course, it's lots of fun to be active in these important parts of the school routine, and most of the participants enjoy their work immensely.

OFFICE AIDES

TOUR GUIDES

William A. McKaney, Jr.

Captain

R. O. T. C.

Since the organization of the Tuley R. O. T. C. in 1946, it has made a record which could weli be envied by other schools. Its success has been due to several things, among which are its activities and its instructors.

Some of the activities with which the R. O. T. C. is concerning itself are the Drum

MARSHALS

and Bugle Corps; the Rifle Team; the Assembly Guards; and last but not least, the Fire Marshals. Through activities such as these, the R. O. T. C. is assured a place in the affections of all "Tuleyites."

Captain McKaney, Sgt. Dolan, and Sgt. Cihos, the Military Instructors, are to be congratulated for the magnificent job they have done.

LEADING DIVISION — THANKSGIVING COLLECTION

What's the most popular Friday night activity for Tuleyites? Why, the Friday night socials, of course. The socials are such fine entertainment for students at Tuley because they are planned and executed so carefully and completely. Under the wise and kind guidance of Mr. Jane, the director of the Socials, the plans, decorations, and follow-up are carried on entirely by students.

Some of the most notable successes of the past season were the Halloween, Thanksgiving, and Christmas Socials. At all three of these dances, the gym was beautifully decorated.

One of the most helpful features of the Socials has been the dance classes.

On several nights the attendance was as high as 600 and 650. But whether the attendance was 600 or 300, all who came to the socials had a swell time!

TULEY REVIEW ★ ★ ★

FEBRUARY

Elaine L. Hart
Co-Editor

Lenore K. Malchiodi
Co-Editor

Marilyn P. Johnson
Business Manager

The Tuley Review, the voice of the student body, is one of our more popular student-managed activities and as our outstanding publication it serves to inform the student body of all social, newsworthy, and athletic activities of the school.

The writing of the Review is a voluntary extra-curricular service done by the members of the literary staff who dedicate a period each day to its publication. Subscriptions, ads and expenses are managed

by a capable business staff; while actual distribution is handled by an elected representative in each division. Except for faculty supervision, the Review is entirely student managed and it has become an important part of every student's school life.

Each year the Review sponsors two student activities: "Mad Plaid Day," which is exactly what it suggests, and the election of a Queen for the R. O. T. C. Ball.

Through the efforts of an earnest, ambitious staff and a supporting student body, the Review promises to remain a continuing success and, as always, the expressed opinion of its readers.

★ ★ 1950 ★

It is finished! The task which began in September 1949 is finished, and you have the fruit of that labor. We could use every adjective in the English language to describe the task, but you are the final judges, not we, and we humbly await your verdict.

But before you pass judgment, may we introduce the Staff to which the credit is due? As you know, there are three departments of the Staff: the Literary, the Art, and the Business departments. Each department has its executive, and

these, with the aid and encouragement of Miss Hoffman, Mr. Greenburg, and Miss McGill, direct the writing, drawing, and selling of the Log. This year we have been fortunate in that we have had an unequalled staff. They are Beverly Garzonio and James Doman, Literary Editors; Loretta Matwicio and George Thomas, Art Editors; and Nola Musial and Efimia Dalianis, Business Managers.

From all of them come heartiest best wishes for many years to come. Pleasant reading!

SPORTS

H.K.

FOOTBALL

Coach Tortorelli
Capt. Hardison

Getting off to a slow start, our heroes of the gridiron proved their power when they met the tougher opposition of the West Section.

Altho we lost the games, our boys scored on Kelvyn Park, a runner-up in the city finals, forced Harrison, a real tough team, to give up fourteen points, and even the mighty Austin, which had not been scored against since '47 by sectional foes, gave up its record to our he-men, yielding six points.

Our team was powerful, but this power ran in spurts. With the loss of valuable players at the beginning of the season, and without the wholehearted support of the student body, the football team did better than expected.

BASKETBALL ★ ★ ★ ★

When you read this, the basketball season will have been over for several months and the baseball season will be just drawing to a close. Many of the Senior cagers and the Junior cagers will receive their diplomas this June 22nd, and they will leave a record which will inspire the other up and coming Tuleyites who desire the glory which comes with being a member of the quintette. Theirs is a difficult task and one which cannot be taken lightly. To fill the positions of Joe Tallian, Rich Dobosz, "Hoagy" Morris, Frank Cahill, and many others who fought for the glory of the school will not be easy to do. A united student body and a loyal alumni will be of inestimable help.

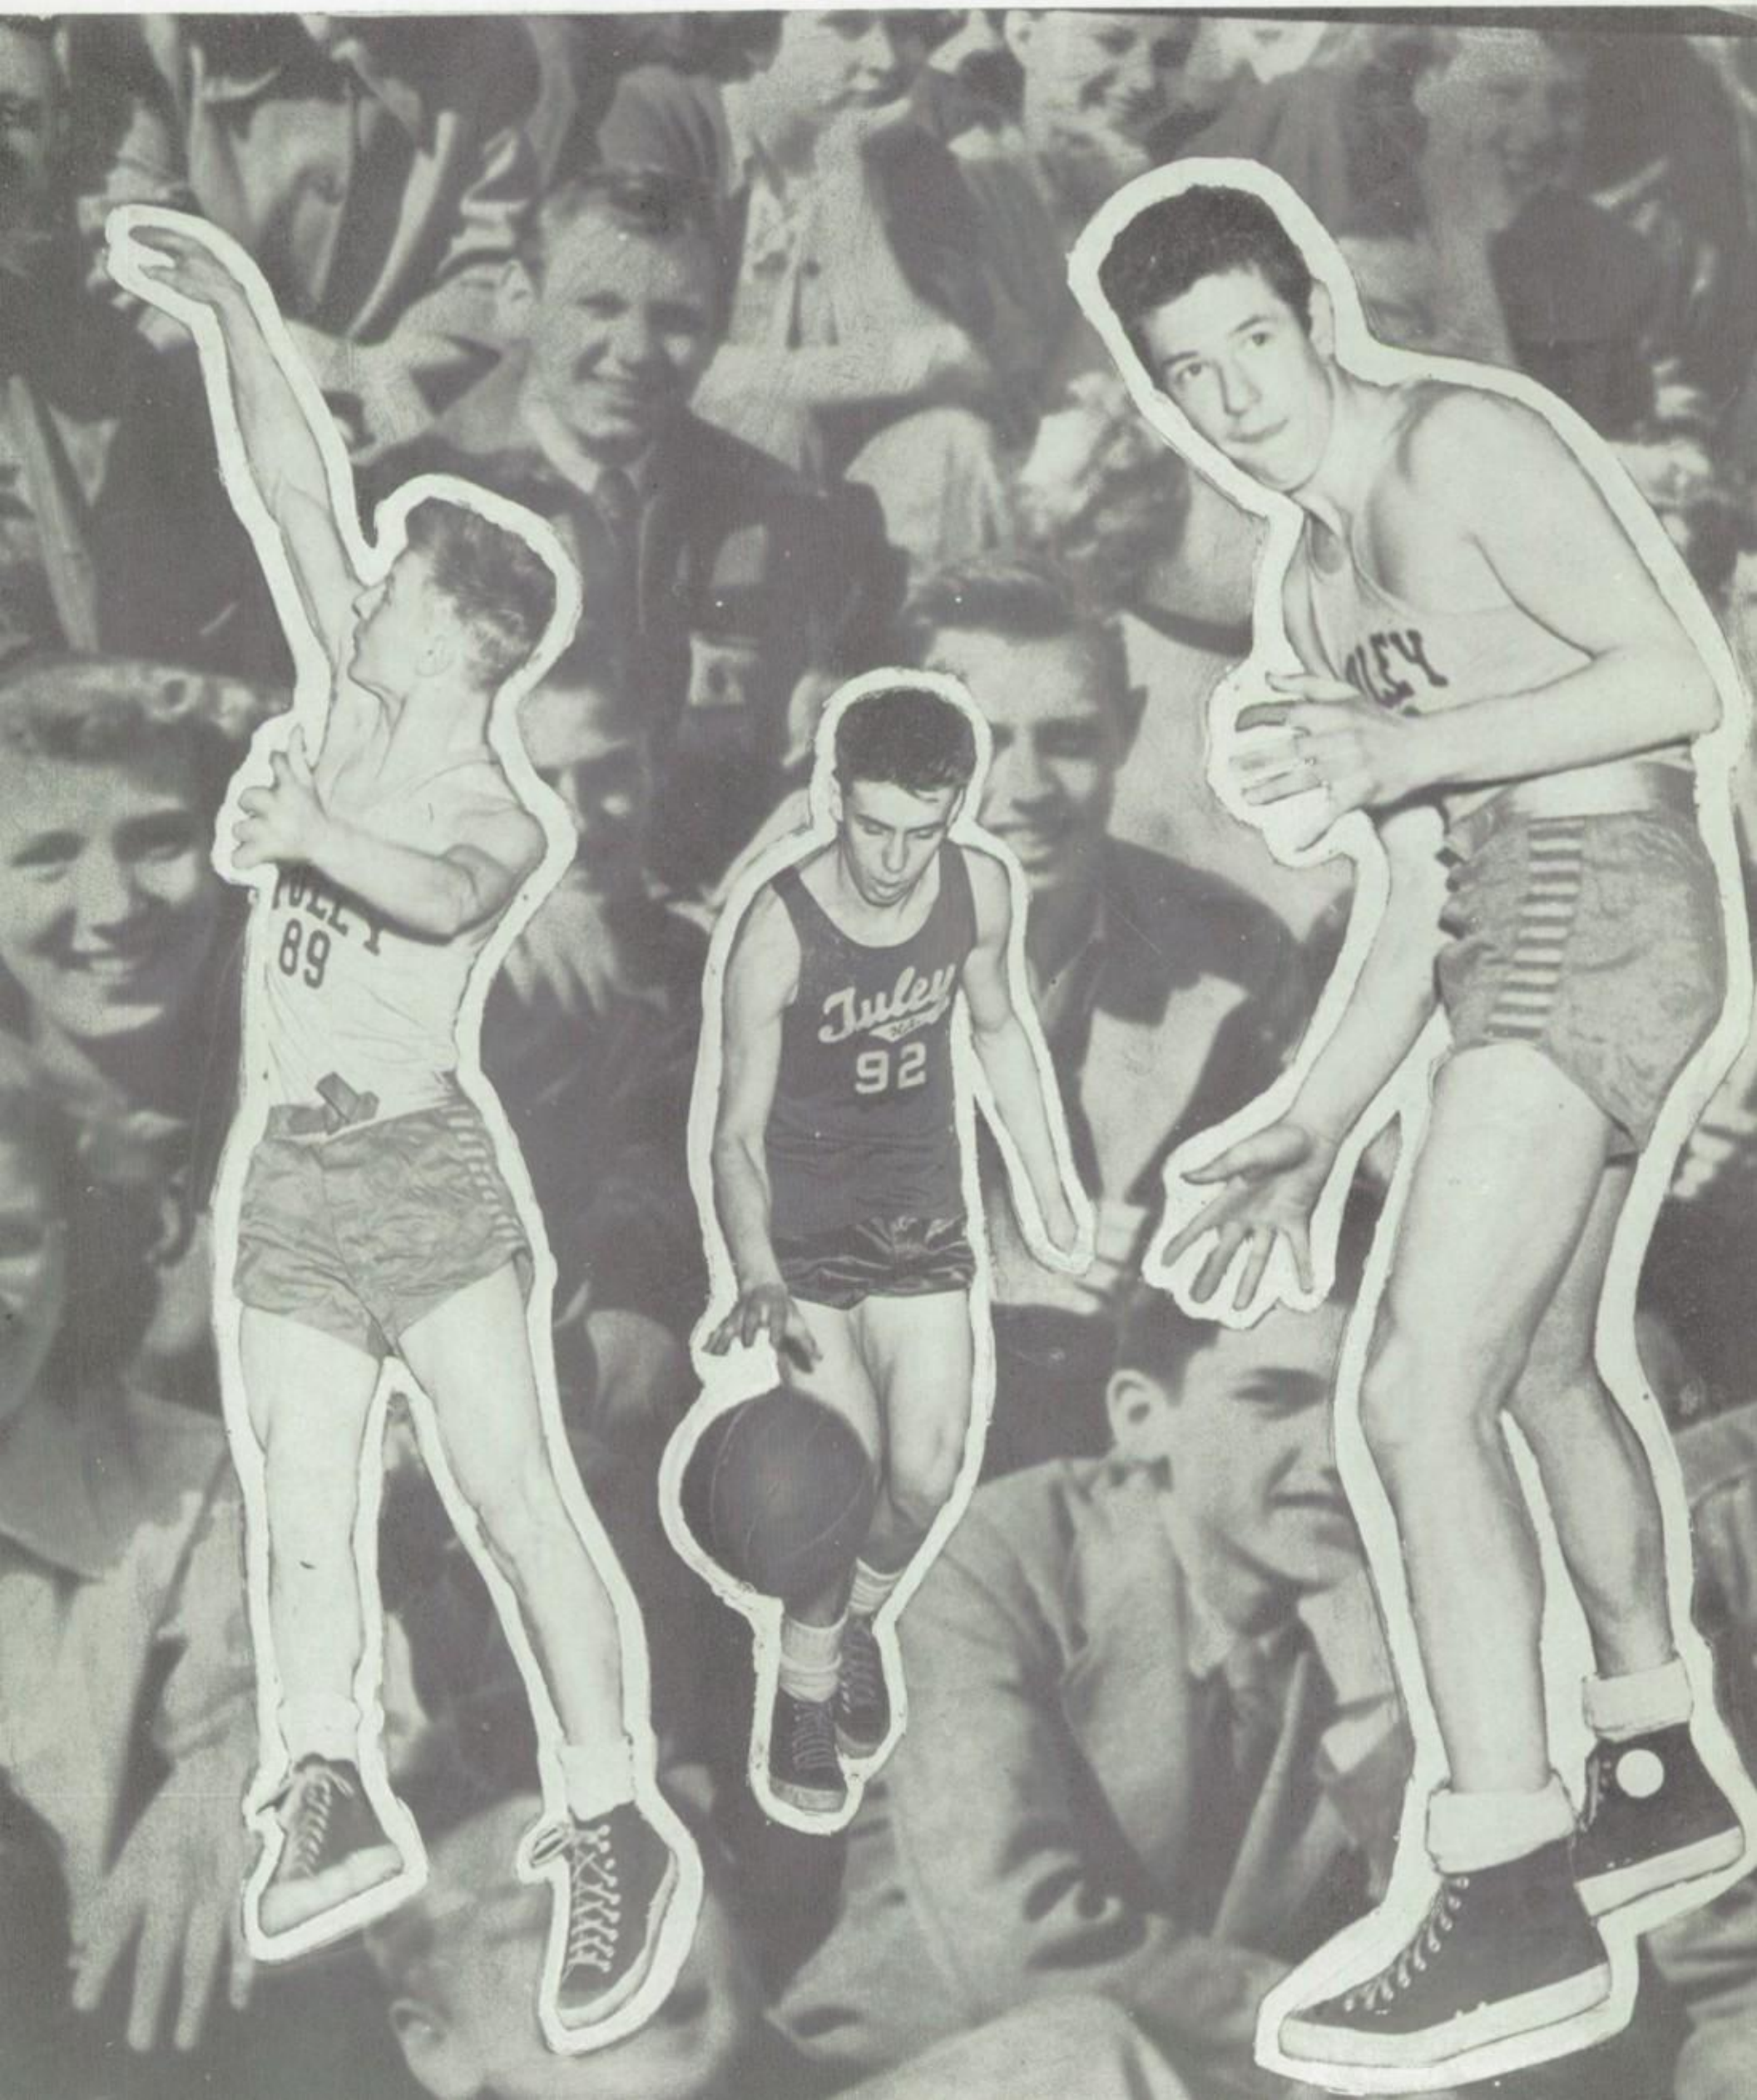
★ ★ DRIBBLING DEMONS



Coach Mishkin

Capt. Caminetti

BASEBALL

The 1950 edition of Tuley's baseball team is, we must admit, green. Green, but a hustling bunch of young sophs and juniors, as is Coach Mishkin's plan. He is building his team for the future, which is the smart thing to do, since Capt. LeRoy Caminetti is the only remaining member of the '49 squad.

Some of the newcomers on whom Mr. Mishkin is depending are Pete Lorenzo, a hard-hitting centerfielder; Tony Santini, a leftfielder with considerable promise; and second baseman Rudy Wasiliewicz.

The outlook on pitching, however, looks very good. Carl Meyer, a southpaw with loads of stuff, Rich Rostenkowski, who looked good in the opening game, and Hank Meyer, fast righthander, lead the '50 twirling staff.

As we go to press, only one league game had been played. In that one, a strong Steinmetz unit downed the Wildcats, 6-0. The high notes of the game, from Tuley's standpoint, were Lorenzo's two hits, the excellent leadership of Caminetti, and the superb hurling of Rostenkowski.

★ SPORTS IN THE LIMELIGHT

CHECKER TEAM

Our Checker Team has brought honor to the school by taking the City Championship for the third consecutive year. This amazing record is the result of the skill of James McGinty, captain, Sidney Anders (who also took the individual City Championship), Leonard Sogolow, William Poulos, and Louis Poulos. This team was sponsored by Mr. Sanderson, and coached by Mr. Greenburg.

CHESS TEAM

In June 1949, all the members of our near championship Chess Team graduated save one, leaving us, we feared, in a bad spot. But this year's team, Capt. James McGinty, Edward Kuznar, William and Louis Poulos, and Stephan Chernack, have made a very creditable showing. Although we placed third in the North Section, we defeated Austin twice and Schurz once. Steinmetz topped us in both contests. We may have been down, but we were definitely not out. Mr. Lee sponsors the team.

Tuley Alma Mater

TULEY HIGH SCHOOL, WE'LL MISS YOU, FOR WE'VE GROWN A PART OF YOU.
AND THIS FEELING THAT'S STEALING OVER US IS NOTHING NEW. AFTER
FOUR YEARS OF LEARNING, AFTER FOUR YEARS OF GRAND TIMES, OUR
HEARTS ARE HEAVY DEAR OLD TULEY, DEAR OLD ALMA MATER, TRULY, WE
WILL MISS YOU, TULEY HIGH!

FAREWELL TULEY

Books and pencils, schoolroom cares,
Tardies, make-ups, winding stairs,
Awards and medals, discipline cards.
Four minutes to cover fifty yards!
Banging lockers, giggles, and moans,
Creaky sounds of weary bones,
Four years we've spent in solid walls,
Loitering, dreaming in all the halls!
We grew in spirit, "one for all",
Cast our ballots, would not fall,
Raised our voices proud and swiftly,
"We're the class of 1950!"
Open your doors, oh, Tuley High,
Alma Mater, let us by!
Ambition surges without rest;
We'll give the world our very best!

Belief and faith is in our God;
He'll guide the way on which we've trod.
With accomplishment in all our hearts,
Four years end, and another starts.
The diplomas we grasp within our hands;
We're out to add and make new friends.
Exhilaration, no more doubt,
We conquered and won the final bout!
Comrades, shake our trembling hands;
A bond between us strongly stands;
The tears now on our cheeks do lie.
We've learned not how to say good-bye!
But as the years roll by, we'll not forget
Where, and when, and how we've met,
And throughout our lives we'll hear the bell
That'll bring back this lingered, fond "Farewell!"
